| 75024 | Kanza Jafri  | 4694648535    | 2/6/26  | We are seeking to host a NIETOC bid tournament to provide students in the DFW-area and surrounding regions with one of their final opportunities to qualify for NIETOC during the spring semester. As one of the last local tournaments before both TFA State and NIETOC, this event plays a crucial role in helping students achieve their national goals without having to travel far. Our goal is to create an academically rigorous yet friendly and supportive competitive environment where students can continue to grow in skill and confidence. By offering a well-organized, welcoming tournament experience, we aim to serve the speech and debate community with a valuable chance to earn bids, gain experience, and connect with peers before the culminating state and national championships. |
